The Walton County Fair, Inc. was chartered October 1924 as an Agriculture Fair that has always been committed to promoting agriculture in the community. The Fair provides an opportunity for youth and adults alike to showcase their talents for artwork, handicrafts, growing crops, rearing livestock, etc. This is an excellent forum to bring the community together for great food, fun, and entertainment.

The Walton County Fair is a non-profit organization run by volunteers. We currently have seven board members elected by the membership, and a Fair Manager. They are as follows:

Randall Infinger - Fair Manager
Dale Anderson - President
Danny Glidewell - Vice President
Jamie Burgess - Secretary
Wade Hayslip - Treasurer
Mandy Ray - Member
Ashly Cuchens Rogers - Member
Maria Duncan - Member

As part of the Walton County Fair's ongoing commitment to youth development, we have created the Walton County Fair Youth Ambassador Board. Youth involved in this will gain leadership skills as well as community service hours. They will help with youth activities at the fair and help with promotional work at the schools and within the community. The Walton County Fair Board believes in the positive influence community service projects have toward overall youth development. We are proud to provide this scholarship to youth in Walton County in hopes to help achieve educational goals beyond the high school level.
